The Learning Center @ Rod Library

The Learning Center @ Rod Library (TLC), located on the main floor of Rod Library, is staffed by nationally certified peer educators trained to assist students in developing the academic skills necessary to be successful in college and beyond. At UNI’s TLC you find students helping students to study more effectively, draft essays, broaden math and science skills, prepare for tests, revise papers, develop lab reports, manage study time effectively, improve reading skills, create a study plan, avoid plagiarism, and SO MUCH MORE!

Online Tutoring

To supplement walk-in tutoring hours, The Learning Center @ Rod Library offers Smarthinking online tutoring 24/7 in business, computer science, math, science, Spanish, and writing. Visit tlc.uni.edu/online for more details. To schedule a Smarthinking training session for faculty or students, contact John.Ophus@uni.edu.

How to Request an In-Class Presentation/Workshop

The Learning Center @ Rod Library has professional staff, graduate students, and trained peer educators who can present to classes or facilitate workshops on various topics, such as time management, study skills, note-taking, test-taking strategies, goal setting, avoiding plagiarism, and much more. To schedule a class presentation or workshop, visit tlc.uni.edu/request and complete the request form. We ask that you request presentations/workshops at least two weeks in advance to ensure the best experience for students.
