Words highlighted in green = grammar, spelling, and punctuation problems MS Word either ignored or offered irrelevant solutions

Underlined sentence = garbled sentence structure ignored by MS Word Grammar Check

Starbucks is a popular coffeehouse, but many of  
closed recently. People use to spend alot of money their.  
They by coffee all though the coffee is expensive, makes a  
lot of money for starbucks. Other businesses' have worse  
problems because of the bad economy right now. Its a bad  
situation that will only be getting worse
