Learning Express Access Instruction Guide for Praxis Core Prep

Step 1: Go to the Rod Library website (https://www.library.uni.edu/).

Step 2: In the “search everything” bar, search “learning express.”

Step 3: Click on “Learning Express Library” (it should be the fourth option from the top).

Step 4: Click “find online” on the left hand side.

Step 5: Click “view full text.” This will take you to the Learning Express website.

Step 6: Click “register” in the bottom right corner and fill out the required fields.

Step 7: After you create an account and are successfully logged in, you will be brought to the Learning Express homepage. From here, click on “Career Center.”

Step 8: Once you are in the Career Center, you can search “Praxis Core” in the “Find Resources” bar on the upper right.

Step 9: There are four available practice tests for each section of the Praxis Core. After clicking on one, you will be directed to an “About This Test” page, which provides you instructions for the practice test.

Step 10: On the right hand side of the page, you will notice there are three modes in which to take the test. Click on the mode of your choice, and you will be brought to the beginning of the practice test.
